LAS VEGAS, NEVADA

Begin your adventure under the neon lights of Las Vegas, an oasis in the desert of southern Nevada. You'll lose track of time along the **Strip**, where resorts with elaborate themes offer an array of options, including 24-hour casinos, innovative dining options from big-name chefs, and variety shows and concerts starring legendary headliners. Whether you choose to stay in a luxury resort or in more modest accommodation, excitement is in store. If you like high-end shopping, prepare to stroll through **The Forum Shops at Caesars** or **The Shops at Crystals** and **Via Bellagio**. For budget-friendly shopping, head to the north end of the Strip to the **Fashion Show Mall** or to the **Las Vegas Premium Outlets**. For a unique experience, visit the **Downtown Container Park**, an open-air center with boutiques, restaurants, bars and live music. Less than an hour from the glitz and glamour of Las Vegas, **Valley of Fire State Park** features spectacular attractions of a very different sort. At the oldest state park in Nevada, you'll see magnificent sandstone formations that are 150 million years old, ancient petroglyphs and abundant wildlife. Many of the park's animals, including bobcats, jackrabbits and coyotes, are nocturnal, giving a different meaning to 'nightlife'.
